## DESCRIPTION

Chitakay SoundLab opens today in the growing world of sound art as a new alternative within the field of music production and sound design. This Collective based in Berlin, a cosmopolitan city and capital of contemporary art, takes up the challenge of opening the doors to musicians, producers and sound artists from other latitudes and through these establish the links between cultures that are so different but at the same time with an evident need for interaction and creation.

At Craftspace, every workshop gets matched to one of our experts who'll help bring your idea to life. If you need help please get in touch:
